Class A Members shall be entitled to one (1) vote for each Lot in which they hold the interest required for membership. In the event that more than one person, group of persons or entity is the record Owner of a fee interest in any Lot, then the vote for the membership appurtenant to such Lot portion shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot. In the event agreement is not reached, the vote attributable to such Lot shall not be cast.

4.5.2 Class B Members. The Class B Member during the Development Period shall be the Declarant. The Class B Membership shall cease and be converted to Class A membership upon the expiration of the Development Period.

4.5.3 Voting. Each Member shall have one vote with respect to each Lot owned by such Member, but a Class A Member shall not be entitled to exercise any vote until the expiration of the Development Period.

4.7.1 To clean, maintain, keep in good order, repair and replace at his or her expense all portions of his or her Lot and Dwelling Unit. Likewise, this Section 4.8 is not intended to work for the benefit of the person or entity responsible for the construction defect. Also, performance by Association may be delayed if Association does not have the means or the funds to repair the defect or if by repairing the defect, Association would be compromising the right to sue to have the defect corrected and/or to collect damages caused by the defect.

Section 4.9 Effect of Insurance or Construction Guarantees. Notwithstanding the fact that the Association and/or any Lot Owner may be entitled to the benefit of any guarantee of material and workmanship furnished by any construction trade responsible for any construction defects, or to benefits under any policies of insurance providing coverage for loss or damage for which they are respectively responsible, the existence of construction guarantee or insurance coverage shall not excuse any unreasonable delay by the Association or any Lot Owner in performing his obligation hereunder. Likewise, this Section 4.9 is not intended to work for the benefit of the person or entity responsible for the construction defect. Also, performance by Association may be delayed if Association does not have the means or the funds to repair the defect or if, by repairing the defect, the Association would be compromising the right to sue to have the defect corrected and/or to collect damages caused by the defect.

## ARTICLE V

### **COVENANT FOR ASSESSMENTS**

Section 5.1 Regular Assessments. Regular Assessments for the payment of the Common Expenses shall be made in the manner provided

herein, and in the manner provided in the Bylaws. The Regular Assessment is established for the benefit and use of the Association and shall be used in covering all of the Common Expenses.

Section 5.2 Special Assessment. In addition to levying Regular Assessments, and to the extent that the reserve fund is insufficient, the Board of Directors may levy Special Assessments to construct, structurally alter, or replace improvements which are a part of the Common Areas, provided that funds shall not be assessed for any capital improvement in excess of Twenty Five Thousand and 00/100 Dollars (\$25,000.00) for any one item or in excess of Fifty Thousand and 00/100 Dollars (\$50,000.00) in the aggregate in any one calendar year ("Capital Expenditure Limit") without the prior written consent of two-thirds (2/3) of the votes of each Class of Members who are voting either in person or by proxy at a meeting duly called for such purpose or unless expressly stated in the annual budget. The Board of Directors shall have the authority to adjust the Capital Expenditure Limit annually to account for inflation, which adjustment shall be effective each January (hereinafter referred to as the "Adjustment Date") commencing January 1 of the next year following the year during which the sale of the first Lot by Declarant. As of each Adjustment Date, the Capital Expenditure Limit shall be increased from the Capital Expenditure Limit on the date of this Declaration ("Effective Date") by a percentage equal to the percentage increase, if any, in the Consumer Price Index, All Urban Consumers ("CPI-U"), (1982-1984=100), All Items, as compiled and published by the Bureau of Labor Statistics, U.S. Department of Labor ("CPI") from the Effective Date to the Adjustment Date. If after the date of this Declaration the CPI is converted to a different standard reference base or otherwise revised or ceases to be available, the determination of any new amount shall be made with the use of such conversion factor, formula or table for converting the CPI as may be published by any other nationally recognized publisher or similar statistical information reflected by the Board. Until the expiration of the Development Period or the date on which Declarant no longer owns a Lot, whichever is earlier, Declarant shall be one of the consenting Members, or the capital improvement shall not be made. The Board of Directors shall calculate each Lot's proportionate share of the Special Assessment for the capital improvements, and shall give the Lot Owner(s) written notice of the proportionate share and of the date(s) that the Special Assessment is due and payable. Notwithstanding the foregoing, Declarant shall have no obligations to pay any Special Assessment with respect to any Lot owned by it unless there is a Dwelling Unit located upon the Lot that is occupied as a residence.

Section 5.3 Working Capital Assessment. Upon the initial transfer of record of the Lot from the Declarant (or successor declarant or designated declarant) to the Lot Owner (other than a successor declarant or designated declarant), the purchaser is required to pay a sum equal to two (2) full months of the Regular Assessment due on his or her Lot as his or her initial contribution to the working capital of the Association. This sum is not an advance payment of

the monthly Regular Assessment; rather the sum is allocated to a working capital fund to meet unforeseen expenditures and operating expenses or to purchase any additional equipment or services. While the Declarant is in control of the Association, it cannot use any of the working capital funds to defray its expenses, reserve contributions, or construction costs. When control of the Association is transferred to the Lot Owners, the working capital fund shall be transferred to the Association for deposit to a segregated fund. After control of the Association is transferred to the Lot Owners the Declarant shall be responsible to collect the initial contribution to the working capital account and forward such funds to the Association. Additionally, at the closing, each purchaser of a Lot is required to pay a pro-rata share of the Regular Assessment due in the month of closing.

Section 5.4 Individual Assessment. In the event that the need for maintenance, repair or replacement of any improvement on the Property, for which the Association has the maintenance, repair and/or replacement obligation, is caused through the willful or negligent act of an Owner, his family, his pet(s), Resident, the cost of such maintenance, repairs or replacements shall be paid by such Owner. The Board shall have the maintenance, repair or replacement done and the cost thereof shall be provided by the Board to said Owner and shall be paid by said Owner within thirty (30) days thereafter, unless an earlier date is otherwise set forth herein.

Section 5.5 Date of Commencement of Assessments; Due Dates; Determination of Regular Assessments; Fine Assessments.

5.5.1 The monthly Regular Assessment provided for herein shall commence as to each Owner of a Lot, except Declarant, on the first day following the initial conveyance of the Dwelling Unit to the Owner and shall be adjusted according to the number of days remaining in the month. The Declarant, its successors and assigns, shall not be required to pay the Regular Assessment for any Lot which it owns until such time as Declarant transfers the Lot to a third party. The Board of Directors shall fix the amount of the monthly Regular Assessment to be paid by each Class A Member against each Lot at the beginning of each calendar year. Written notice of the monthly Regular Assessment shall be sent to every Class A Member subject thereto. The Board of Directors shall establish the due dates.

5.5.2 The Board of Directors, or an adjudicatory panel established by the Board of Directors, may levy a reasonable Fine Assessment, as a fine or penalty for violation of this Declaration, all in accordance with the Planned Community Act. A lien may be filed for this Fine Assessment and this Fine Assessment may be enforced by foreclosure and otherwise treated as a Regular Assessment.

5.5.3 If the Association is paying the water and/or sewer bill(s) for the Subdivision or any Lot Owner within the Subdivision, the Association may assess each Lot Owner benefited for its share of the water and/or sewer bill(s). Each Lot Owner shall bear an equal share of the bill, but the Association can assess an extra amount against a Lot Owner to recover the cost of any extraordinary amount of water used by that Lot Owner. "Extraordinary" shall be as determined by the discretion by the Board of Directors. The Assessment for water and sewer shall be part of the Regular Assessment and shall be considered a Common Expense.

5.5.4 Both Regular and Special Assessments for a Lot Owner shall be determined by the Association based upon the proportion that each Lot bears to the aggregate number of Lots located on the Property, except those owned by Declarant which are not assessed in accordance with Section 5.5.1 above. The Association's governing body may, at its discretion, waive the Regular Assessment for any year or part of a year for any Lot not occupied as a residence.

Section 5.6 Billing. The Association shall inform each Lot Owner of the amount of the total Regular Assessment due from the Owner of that particular Lot. This Regular Assessment may be paid in monthly installments or as otherwise required by the Association. The Owner of each Lot must pay his Lot's required Regular Assessment in advance on the first calendar day of each month, unless the Association otherwise directs. Payment is to be made to such person at such an address as Association determines. Special Assessments are due thirty (30) days after the bill for the Special Assessment has been mailed or otherwise sent out by Association, unless the Association otherwise directs. The Owners of the initial Lots in the Subdivision, except Declarant, shall be obligated to begin paying the Regular Assessment as of the first day of the initial conveyance of the Lot from Declarant to the Owner. If the Subdivision is expanded and additional Lots are brought into the Subdivision during a given Assessment year, those additional Lots shall begin paying the Regular Assessment on the first day of the initial conveyance of the Lot from Declarant to the Owner.

Section 5.7 Common Surplus. If the Regular Assessment collected in any given year is in excess of the actual Common Expenses for that year, the Board may, at its sole discretion (a) return each Owner's share of the Common Surplus; (b) credit each Owner's share of the Common Surplus to each Owner's payment as for the Regular Assessment for the following year; or (c) apply the Common Surplus to the reserve.

Section 5.8 Assessment Certificate. The Association shall, upon demand, at any reasonable time, furnish to any Owner liable for Assessments a certificate in writing signed by an Officer or other authorized agent of the Association, setting forth the status of said Assessments; i.e., "current", and if

not current, "delinquent" and the amount due. Such certificate shall be conclusive evidence of the payment of any Assessment therein stated to have been paid. A reasonable charge to cover labor and materials may be made in advance by the Association for each certificate.

Section 5.9 Books and Records of the Association. The Association shall keep full and correct books of account. The Association shall make available to all Lot Owners and the holders of all first mortgages on Lots, current copies of the books, records and financial statements of the Association upon reasonable request during normal business hours. All funds collected by the Association shall be held and expended solely for the purposes designated by this Declaration and shall be deemed to be held for the use, benefit and account of the Association and all of the Lot Owners. All books and records must be kept in accordance with good accounting procedures and must be reviewed at least once a year by an independent accounting firm.

Section 5.10 Non-Payment of Assessment. Any Assessments levied pursuant to these covenants which is not paid on the date when due shall be delinquent and shall, together with such interest and other costs as set out elsewhere in this Declaration, thereupon become a continuing lien upon the Lot which shall bind the Lot in the hands of the then Owner and the Owner's successors and assigns.

If the Assessment is not paid within thirty (30) days after the due date, the Assessment shall bear interest at a reasonable rate of ten percent (10%) per year or at such other reasonable rate set by Association in its minutes, not to exceed the maximum amount allowed by law, and the Association may bring an action at law against the Owner personally obligated to pay the same and/or foreclose the lien against the Lot, in either of which events interest, costs and reasonable attorneys' fees shall be added to the amount of each Assessment. No Owner may waive or otherwise escape liability for the Assessments by non-use or waiver of use of the Common Areas or by abandonment of his Lot.

Section 5.11 Priority of Association Lien. The lien provided for in this Article V shall take priority over any lien or encumbrance subsequently arising or created, except liens for real estate taxes and assessments and liens of bona fide first mortgages which have been filed of record before a claim of this lien hereunder has been docketed in the office of the clerk of superior court in New Hanover County, and may be foreclosed in the same manner as a mortgage on real property under power of sale in an action brought by the Association in accordance with the Planned Community Act. The Association is entitled to recover its reasonable attorneys' fees and court costs and collection costs, as part of the lien. In any such foreclosure action, the Association shall be entitled to become a purchaser at the foreclosure sale.

Section 5.12 Disputes as to Common Expenses; Adjustments. Any

Owner who believes that the portion of Common Expenses chargeable to his Lot, for which an assessment lien has been filed by the Association, has been improperly charged against his or her Lot, may bring action in an appropriate court of law.

Section 5.13 Purchaser at Foreclosure Sale Subject to Declaration, Bylaws, Rules and Regulations of the Association. Any purchaser of a Lot at a foreclosure sale shall automatically become a Member of the Association and shall be subject to all the provisions of this Declaration, the Bylaws and the Rules and Regulations.

Section 5.14 Non-Liability of Foreclosure Sale Purchaser for Past Due Common Expenses. When the holder of a first mortgage or first deed of trust of record or other purchaser of a Lot acquires title to the Lot as a result of foreclosure of the first mortgage first deed of trust or by deed in lieu of foreclosure, such acquirer of title, his, her or its successors and assigns, shall not be solely liable for the share of the Common Expenses or other Assessments by the Association chargeable to such Lot which became due prior to the acquisition of title to the Lot by such acquirer, other than Assessments for which a claim of lien has been docketed with the New Hanover County Clerk of Superior Court prior to the recordation of the lien being foreclosed. Such unpaid share of Common Expenses or Assessments shall be deemed to be Common Expenses collectible from all of the Lots, including that of such acquirer, his, her or its successors or assigns. This provision shall not relieve the party acquiring title or any subsequent Owner of the subject Lot from paying future Assessments.

Section 5.15 Liability for Assessments Upon Voluntary Conveyance. In a voluntary conveyance of a Lot, any grantee or his or her first mortgagee shall inform the Board of Directors in writing of such contemplated conveyance and such grantee or first mortgagee shall be entitled to a statement from the Board of Directors of the Association setting forth the amount of all unpaid Assessments (including current Assessments) against the grantor due the Association. Neither the grantee nor the mortgagee shall be personally obligated for any delinquent Assessments, but such delinquent Assessments, along with interest, late charges, costs and reasonable attorneys fees shall be a lien against the Lot in accordance with Section 5.10 and Section 5.11 herein.

Section 5.16 Late Charge. The Association may impose a charge against any Lot Owner who fails to pay any amount assessed by the Association against his Lot within ten (10) days after such Assessments are due and payable and who fails to exercise his rights under this Declaration or under the laws of the State of North Carolina to successfully contest such Assessment. The amount of the late charge shall be the greater of (a) twenty and 00/100 Dollars (\$20.00), or (b) twenty percent (20%) of the delinquent amount, or such other amount as may be determined by the Association from time to time. Additionally, if a Lot

Owner shall be in Default in payment of an installment upon an assessment or of a single monthly assessment, the Association has the right to accelerate all monthly Assessments remaining due in the current fiscal year. The total of such Assessments, together with the delinquent Assessments shall then be due and payable by the Lot Owner no later than ten (10) days after the delivery of written notice of such acceleration to the Lot Owner or twenty (20) days after mailing of such notice to him by certified mail, whichever occurs first. If such acceleration amount is not paid by the due date, the above-described late charge may be imposed on the part of such accelerated amount not paid by the due date.

Section 5.17 Miscellaneous.

5.17.1 The Association may change the interest rate due on delinquent Assessments (including any late charges), except that the rate cannot be changed more often than once every six (6) months. As of its effective date, the new interest rate will apply to all Assessments then delinquent.

5.17.2 The Owner has the sole responsibility of keeping the Association informed of the Owner's current address if different from the Lot owned. Otherwise notice sent by Association to the Lot is sufficient for any notice requirement under this Declaration.

5.17.3 The lien under this Article V arises automatically, and no notice of lien need be recorded to make the lien effective.

5.17.4 The Assessment lien includes all collection costs, including demand letters, preparation of documents, reasonable attorneys' fees, court costs, filing fees, collection fees, and any other expenses incurred by the Association in enforcing or collecting the Assessment.

5.17.5 Any Assessment otherwise payable in installments shall become immediately due and payable in full without notice upon Default in the payment of any installment. The acceleration shall be at the discretion of the Board.

5.17.6 No Owner of a Lot may exempt himself or herself from liability for his or her contribution toward the Common Expenses by waiver of the use or enjoyment of any of the Common Areas or by the abandonment of his or her Lot.

5.17.7 This Section 5.17 applies to every type of Assessment.

**ARTICLE VI**

## EASEMENTS AND ENCUMBRANCES

Section 6.1 Easement for Encroachments. The Dwelling Units, all utility lines, and all other improvements as originally constructed by or on behalf of Declarant or its assigns shall have an easement to encroach upon any setback, Lot or Common Area as a result of the location of the building, utility lines and other improvements across boundary lines between and along Lots and/or the Common Areas, or as a result of building or improvement movement or alterations or additions from time to time, provided that such alterations or additions have complied with the requirements of this Declaration.

Section 6.2 Lot's Utility Easements. Easements are granted in favor of each Lot Owner to and throughout the Common Areas and, if necessary, the setback areas of any other Lots, as may be necessary for the installation, maintenance, repair and use of underground water, gas, sewer, power and other utilities and services including power and communication, now or hereafter existing, including maintaining, repairing and replacing any pipes, wires, ducts, conduits, equipment, fixtures, utility, power or communication lines or equipment, or other components. The foregoing notwithstanding, no Lot Owner (other than Declarant) may exercise the easement rights reserved in this Section 6.2 without the prior written approval of the Board as described in Section 6.6 below and the Declarant, so long as it owns a Lot in the Subdivision or a residential unit in the "XYZ" Condominium.

Section 6.3 Utility Easements. Easements are reserved and/or granted hereby in favor of the Declarant and/or the Association through each Lot (provided that such easements shall not materially and unreasonably interfere with the use of any dwelling located upon any Lot) and the Common Areas for the purpose of installing, laying, maintaining, repairing and replacing any pipes, wires, ducts, conduits, equipment, fixtures, utility, power or communication lines or equipment, or other components throughout the Common Areas. Without limiting any other provision in this Article 6, it is understood that Declarant's easement rights reserved herein may be utilized for the benefit of property within or outside of the Subdivision, including, without limitation, for the benefit of "XYZ" Condominium. Each Lot Owner and/or his respective mortgagee by acceptance of a deed conveying such ownership interest and each mortgagee encumbering such ownership interest, as the case may be, hereby irrevocably appoint Declarant, or the Association, as the case may be, as his attorney in fact, coupled with an interest, and authorize, direct and empower such attorney, at the option of the attorney, to execute, acknowledge and record for and in the name of such Lot Owner and his mortgagee, such easements or other instruments as may be necessary to effect the purpose of this Section 6.3. The easements may be assigned and/or granted by the Declarant and/or the Association to any utility or service company.

Section 6.4 General Easements. An easement is hereby reserved

and/or granted in favor of the Declarant and/or the Association in, on, over and through the Common Areas, the Lots and/or Dwelling Units for the purposes of maintaining, cleaning, repairing, improving, regulating, operating, policing, replacing and otherwise dealing with the Common Areas, Lots and/or Dwelling Units, including all improvements thereon as required or permitted by the Constituent Documents or applicable law. An easement is hereby reserved in favor of Declarant over the Common Areas for the purpose of advertising or promoting sales of Lots or Dwelling Units in the Subdivision or Units in "XYZ" Condominium.

Section 6.5 Access Easement. Appurtenant to each Lot is an easement over any Common Area for necessary pedestrian and vehicular ingress and egress to and from any such Lot over the Common Areas, to and from a thoroughfare. The easement shall be over such walkways, driveways, or other ways as are designated by the Declarant and/or the Association and shall be subject to the terms of the Constituent Documents.

Section 6.6 Use of Easement. Any use of the rights and easements granted and reserved in this Article VI shall be reasonable. If any damage, destruction, or disturbance occurs to a Lot or Common Area as a result of the use of any easement or right, the Lot or Common Area shall be restored by, or at the direction of, the Association promptly in a reasonable manner at the expense of the person or persons making the use of the easement or right that resulted in the damage, destruction or disturbance. Before beginning work, Association may require all or any part of the expected expense to be prepaid by that person or those persons liable for the expense. Additionally, should any Lot Owner other than Declarant elect to exercise its easement rights hereunder, it shall be required to obtain the Board's prior written approval (not to be unreasonably withheld), after providing the Board with detailed plans of its proposed work, as well as evidence of appropriate insurance and other such reasonable information or assurances as the Board may require. No easement may be granted across, through, over, or under any Lot or Common Area, which materially restricts ingress and egress to the Lot or Common Area, unless reasonable alternate ingress and egress is provided or unless the restrictions is only temporary. All easements reserved hereunder shall be perpetual and non-exclusive.

Section 6.7 Reservation of Access Easement by Declarant. Declarant reserves an easement for itself, its grantees, successor and assigns, to enter upon the Subdivision for access, including ingress and egress for both vehicles and pedestrians, to and from any public street, road, land, walkway or right-of-way. The easement shall be over the streets, sidewalks, bridges and other access ways of the Subdivision. Declarant further reserves the right to connect, at Declarant's expense, to any street, roadway, walkway or other means of access that are located on the Common Areas of the Subdivision. This reservation of access easements and the right of connection should be construed liberally in favor of the Declarant, in order to facilitate the development

Princeton  
of all or any portion of Princess Place.

Section 6.8 OMITTED

Section 6.9 Reservation of Construction Easement by Declarant. The Declarant reserves the non-exclusive right and easement to temporarily go upon the Subdivision in order to complete the development of the Subdivision and the construction of the improvements to be located therein. The easement should be construed broadly in favor of the Declarant, including giving Declarant the right to store temporarily construction materials, equipment or dirt. After the construction is finished, Declarant must, at Declarant's cost, repair any damage done to the Subdivision including to any landscaping. As soon as reasonably possible after Declaration has completed construction on the neighboring land, Declarant must remove all debris, equipment, materials and dirt from the Subdivision.

Section 6.10 Roadway Easement. Pursuant to the Roadway Declaration, Declarant has reserved for the benefit grants to all Lot Owners the non-exclusive right of ingress and egress on, over and across all public and private roadways (the "Roadways") located on or to be located on a portion of the Subdivision which private roadways extend between one or more publicly dedicated streets. Roadways (other than those (if any) that have been accepted by applicable governmental authorities for maintenance, constitute Common Areas and shall be maintained, insured, and repaired by the Association in accordance with this Declaration and the Roadway Declaration. The Declarant hereby reserves the right (but not the obligation), in its sole discretion, to annex additional Roadways into the Subdivision. Notwithstanding the foregoing to the contrary, no part of the Roadway shall be dedicated or transferred to a unit of local government without acceptance of the unit of local government involved.

Section 6.11 Declarant's Easements: General. The easements and grants reserved for and granted to the Declarant also benefit and bind any heirs, successors and assigns of Declarant and their respective guests, invitees or lessees, including, without limitation, assignees of Declarant who do not own property within Princess Place.

Section 6.12 Easements to Run with Land. All easements and rights described in this Article VI are easements appurtenant, running with the land, perpetually in full force and effect, and at all times shall inure to the benefit of and be binding on the Declarant, its successors and assigns, and any Owner, purchaser, mortgagee, and other person or entity now or hereafter having an interest in the Subdivision, or any part or portion of it.

Section 6.13 Reference to Easements and Deeds. Reference in the respective deeds of conveyance or any mortgage or trust deed or other evidence of obligation, to the easements and rights described in this Declaration, shall be

sufficient to create and reserve such easements and rights to the respective grantees, mortgagees and trustees in said instruments as fully and completely as those such easements and rights were recited fully and set forth in their entirety in such instruments.

## **ARTICLE VII**

### **INSURANCE**

Section 7.1 General Insurance. In addition to such insurance as is required to be maintained by the Association pursuant to the Roadway Declaration and the Recreational Facilities Easement Agreement, the Association shall carry a master policy of fire and extended coverage, vandalism, malicious mischief and liability insurance, and if required by law, workmen's compensation insurance with respect to the Subdivision and the Association's administration thereof in accordance with the following provisions:

7.1.1 When available the Association shall purchase a master policy for the benefit of the Association, the Lot Owners and their mortgagees as their interest may appear, subject to the provisions of this Declaration and the Bylaws. The "master policy" may be made up of several different policies purchased from different agencies and issued by different companies.

7.1.2 All Common Areas now or at any time hereafter constituting a part of the Subdivision shall be insured against fire and other perils covered by a standard extended coverage endorsement, in an amount not less than one hundred (100%) percent of the replacement value thereof, with a deductible agreed to by the Board of Directors, exclusive of the cost of the land, foundations, footings, excavation, and architect's fees, without deduction for depreciation. The policy shall have cost of demolition, water damage (excluding floods, backing up of sewers and drains, the running off of surface water, and the overflow of a body of water), and agreed amount endorsements and a deductible on any single loss or group of losses within one year in such amounts as shall be found reasonable by the Board of Directors, after carefully considering and comparing the increased premium costs resulting from a low deductible with the lower premium costs but higher per loss risk resulting from a high deductible, together with all other pertinent factors. The policy providing such coverage shall provide that no mortgagee shall have any right to apply the proceeds thereof to the reduction of any mortgage debt. Such policy shall provide coverage for built-in fixtures and equipment in an amount not less than one hundred percent (100%) of the replacement cost thereof (subject to the deductible provisions described above) and shall also provide that the insurer shall have no right to contribution from any insurance which

may be purchased by any Lot Owner as hereinafter permitted. Such policy shall also contain either a waiver by the insurer of any increased hazard clause, a severability of interest endorsement, or a provision stating that the coverage will not be affected by the act, omission or neglect of any person unless such act, omission or neglect is within the knowledge and control of the Association prior to the occurrence of the loss. Such policy shall not provide coverage for any items of personal property owned by any Lot Owner.

7.1.3 Such master policy of insurance shall contain provisions requiring the issuance of certificates of coverage and the issuance of written notice to the Association and to any mortgagee or mortgagees of any Lot Owner not less than thirty (30) days prior to any expiration, substantial modification or cancellation of such coverage.

7.1.4 Such insurance by the Association shall not prevent an Owner of a Lot to obtain insurance on its own property, but no Lot Owner may at any time purchase individual policies of insurance covering any item which the Association is required to insure. If any Lot Owner does purchase such a policy, he or she shall be liable to the Association for any damages, expenses or losses which it suffers or incurs as a result thereof, and the Association shall have the same lien rights provided by Article V hereof for Common Expense payments with respect to any such damages, expenses or losses not paid to it by such Owner.

7.1.5 The Board of Directors shall review the insurance coverage required under this Section 7.1 at least annually, and if any of such insurance coverage becomes impossible or impractical to obtain, the Association shall obtain coverage that most closely approximates the required coverage with the deductible provisions as determined by the Board of Directors. In any event, all such insurance must comply, at a minimum, with the applicable requirements set forth in the North Carolina Planned Community Act.

7.1.6 If the required insurance coverage under this Section 7.1 ceases to exist for any reason whatsoever, any mortgagee of any portion of the Subdivision may remedy that lack of insurance by purchasing policies to supply that insurance coverage. The funds so advanced shall be deemed to have been loaned to the Association; shall bear interest at a per annum rate two percent (2%) higher than the basic interest rate in any note secured by the mortgagee's mortgage against a portion of the Subdivision; and shall be due and payable to the mortgagee by the Association immediately. The repayment of this obligation shall be secured by a Special Assessment against all Lot Owners under Article V of this Declaration and shall not require a vote of the Members of the Association, anything to the contrary in this Declaration notwithstanding.

7.1.7 The Association shall also maintain liability insurance in reasonable amounts, covering all occurrences commonly insured against for death, bodily injury, and property damage arising out of or in connection with the use, ownership, or maintenance of the Common Areas. The Association shall try to have its liability insurance contain cross-liability endorsements or appropriate provisions to cover liability of the Lot Owners, individually and as a group (arising out of their ownership interest in the Common Areas), to another Lot Owner.

Section 7.2 Fidelity Insurance. The Association must have fidelity coverage against dishonest acts on the part of Officers and employees, Members of the Association, members of the Board, trustees, employees or volunteers responsible for the handling of funds collected and held for the benefit of the Lot Owners. The fidelity bond or insurance must name the Association as the named insured and shall be written in an amount sufficient to provide protection which is in no event less than the insured's total Regular Assessment, plus all accumulated reserves and all other funds held by the Association either in its own name or for the benefit of the Lot Owners.

Section 7.3 Directors' and Officers' Errors and Omissions Insurance. The Association shall purchase insurance to protect itself and to indemnify any Director or Officer, past or present against expenses actually and reasonably incurred by him/her in connection with the defense of any action, suit or proceeding, civil or criminal, in which he is made a party by reason of being or having been such Director or Officer, except in relation to matters as to which he shall be adjudged in such action, suit or proceeding to be liable for negligence or misconduct in the performance of duty to the Association; or to obtain such fuller protection and indemnification for Directors and Officers as the law of North Carolina permits. The policy or policies shall be in an amount to be reasonably determined by the Association.

Section 7.4 Premiums. All premiums upon insurance purchased by the Association shall be Common Expenses. Notwithstanding the foregoing, the Lot Owners may be responsible for certain deductibles to the insurance policies purchased by the Association as outlined in Section 7.1 and Section 7.7 herein.

Section 7.5 Proceeds. Proceeds of all insurance policies owned by the Association shall be received by the Association for the use of the Lot Owners and their mortgagees as their interest may appear; provided, however, the proceeds of any insurance received by the Association because of property damage shall be applied to repair and reconstruction of the damaged property, except as may otherwise be permitted by this Declaration.

Section 7.6 Power of Attorney. Each Lot Owner shall be deemed to appoint the Association as his true and lawful attorney-in-fact to act in

connection with all matters concerning the maintenance of the master policy or any other insurance policy obtained by the Association. Without limitation on the generality of the foregoing, the Association as said attorney shall have full power and authority to purchase and maintain such insurance, to collect and remit the premiums therefor, to collect proceeds and to distribute the same to the Association, the Lot Owners and their respective mortgagees as their interest may appear, to execute releases of liability and to execute all documents and to do all things on behalf of such Lot Owners and the Subdivision as shall be necessary or convenient to the accomplishment of the foregoing; and any insurer may deal exclusively with the Association in regard to such matters.

Section 7.7 Responsibility of Lot Owner. The Association shall not be responsible for procurement or maintenance of any insurance covering any Lot or Dwelling Unit, or the contents of and Lot or Dwelling Unit nor the liability of any Lot Owner for injuries not caused by or connected with the Association's operation, maintenance or use of the Common Areas or other property located in the Subdivision. Each Lot Owner shall, at his or her own expense, obtain public liability insurance for personal injuries or damage arising out of the use and occupancy of or occurring within his Lot or Dwelling Unit. In addition, each Lot Owner shall maintain fire and extended coverage insurance on his Dwelling Unit, and the contents of his Dwelling Unit. The Association may request the Lot Owner to provide a copy of the policy(s) to the Association evidencing this insurance coverage at any time.

Each Lot Owner agrees that if any Owner(s) damages a building or other improvements now or at any time hereafter constituting a part of the Common Areas of the Subdivision which is covered under the Association's insurance policy, the Owner or Owners causing such damage shall be responsible for paying the lesser of: (a) the insurance deductible due under the Association's insurance policy; or (b) the cost to repair and/or replace any damage to a building or other improvements, which amount shall be due within ten (10) days after the delivery of written notice of such deductible due or replacement/repair costs by the responsible Lot Owner(s) or twenty (20) days after mailing of such notice by certified mail, whichever occurs first. In the event a Lot Owner refuses or fails to pay the insurance deductible or replacement/repair costs in the time period provided in the preceding sentence, the amount thereof may be advanced by the Association and the amount so advanced by the Association shall be assessed to such Owner as an Individual Assessment, which shall be due and payable following seven (7) days written notice.

Section 7.8 Release. All policies purchased under this Article VII by either the Association or the individual Lot Owners shall provide for the release by the issuer, thereof, of any and all rights of subrogation or assignment and all causes and rights of recovery against any Lot Owners, member of their family, their employees, their tenants, servants, agents and guests, the Association, any employee of the Association, the Board, or any occupant of a Dwelling Unit in the

Subdivision, for recovery against any one of them for any loss occurring to the insured property resulting from any of the perils insured against under the insurance policy.

Section 7.9 Approximate Coverage. If any of the required insurance coverage under this Article VII becomes or is impossible to obtain or can be obtained only at an unreasonable cost, the Association shall obtain coverage which most closely approximates the required coverage, if such substitute insurance is available.

Section 7.10 Additional Policy Requirements. All such insurance coverage obtained by the Association shall be written in the name of the Association, for the use and benefit of the Association, the Lot Owners and their mortgagees, as further identified below. Such insurance shall be governed by the provisions hereinafter set forth:

7.10.1 Exclusive authority to adjust losses under policies in force on the Subdivision obtained by the Association shall be vested in the Association provided, however, that no mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.

7.10.2 In no event shall the insurance coverage obtained by the Association hereunder be brought into contribution with insurance purchased by individual Owners, occupants, or their mortgagees, and the insurance carried by the Association shall be primary.

7.10.3 All casualty insurance policies shall have an agreed amount endorsement with an annual review by one or more qualified persons.

7.10.4 The Association shall be required to make every reasonable effort to secure insurance policies that will provide for the following:

7.10.4.1 a waiver of subrogation as discussed in Section 7.8;

7.10.4.2 that no policy may be canceled, invalidated, or suspended on account of the acts of any one or more individual Owners;

7.10.4.3 that no policy may be canceled, invalidated or suspended on account of the conduct of any Director, officer or employee of the Association or its duly authorized manager without prior demand in writing delivered to the Association to cure the defect and the allowance of a reasonable time thereafter within which the defect may be cured by the Association, its manager,

any Owner or mortgagee; and

7.10.4.4 that any "other insurance" clause in any policy exclude individual Owner's policies from consideration.

## **ARTICLE VIII**

### **ASSOCIATION**

Section 8.1 Association. The administration of the Subdivision shall be vested in the Association. The Owner of any Lot, upon acquiring title, shall automatically become a Member of the Association and shall remain a Member until such time as his ownership of such Lot ceases for any reason, at which time his membership in the Association shall automatically cease. The Association shall have full power and responsibility to administer, operate, sustain, maintain, and govern the Subdivision including but not limited to, the powers and responsibilities to make prudent investments of funds held by it; to make reasonable Rules and Regulations; to borrow money; to make Assessments; to bring lawsuits and defend lawsuits; to enter into contracts; to enforce all of the provisions of this Declaration, the Bylaws and any other documents or instruments relating to the establishment, existence, operation, alternation of the Subdivision. The powers of the Association shall be construed liberally and shall include, without limitation, all of the powers set forth in *Section 47F-3-102* of the Planned Community Act.

Section 8.2 Board of Directors. Unless otherwise specifically stated in this Declaration, the Association shall act exclusively through its Board of Directors (the "Board"). The Association in accordance with the Bylaws shall choose the Board. The Board shall be authorized to delegate the administration of its duties and powers by written contract to a managing agent or administrator employed for that purpose by the Board.

### Section 8.3 Limitations on Association's Duties.

8.3.1 The Association did not construct the improvements, including the Dwelling Units. The Association does not warrant in any way or for any purpose, the improvements in the Subdivision. Construction defects are not the responsibility of the Association.

8.3.2 The Association shall have a reasonable time in which to make any repair or do any other work, which it is required to do under the Constituent Documents. The Association must first have actual knowledge of a problem. Any determination of the reasonableness of the Association's response, must allow for the facts that the Association is volunteer and that the funds available to the Association are limited.

8.3.3 In case of ambiguity or omission, the Board may interpret the Declaration and the other Constituent Documents, and the Board's interpretation shall be final if made without malice or fraud. Notwithstanding the foregoing, the Declarant may overrule any interpretation affecting it, for so long as Declarant owns any portion of the Property or any portion of ~~Princess~~ Place; and such interpretation cannot be enforced against the Declarant, its successors or assigns.

## **ARTICLE IX**

### **HARMONY, ENVIRONMENTAL CONTROLS**

Section 9.1 Architectural Control Committee. Except for original construction performed by or on behalf of Declarant or as otherwise in these covenants provided, no building, fence, electric pet fence, sidewalk, drive, mailbox, or other structure, or improvement or anything attached thereto visible from the outside of the structure or improvement (including, without limitation, storm doors, windows, drapes or window coverings) shall be erected, placed, altered, or maintained within the Subdivision nor shall any exterior addition to or change (including any change in color) or alteration therein be made until the proposed building plans, specifications, exterior color and finish, plot plans (showing the proposed location of such building or structure, drives and parking areas), general contractor and all subcontractors, and construction schedule shall have been submitted to and approved in writing by the Board of Directors of the Association, or by any architectural control committee appointed by said Board of Directors. Refusal of approval of plans, location or specification by said Board of Directors or architectural control committee may be based upon any reasonable ground, including, without limitation, lack of harmony of external design, color, location or relation to surrounding structures and topography and purely aesthetic considerations which, in the discretion of said Board of Directors or architectural control committee shall deem sufficient. After approval by the Board of Directors or architectural control committee is given, no alterations may be made in such plans except by and with their prior written consent. One copy of all plans, specifications and related data shall be furnished the Board of Directors or architectural control committee for its records.

## **ARTICLE X**

### **USE RESTRICTIONS**

Section 10.1 Use and Occupancy. The Association shall make Rules and Regulations to govern the use and occupancy of the Subdivision. In addition, the following covenants, conditions, and restrictions, as to use and occupancy shall

run with the land and shall be binding upon each Lot Owner, his heirs, tenants, licensees and assigns.

Section 10.2 Purpose of Subdivision. Except as otherwise provided in this Declaration, no part of the Subdivision shall be used for other than housing and the common recreational purposes for which the property was designed, and each Lot shall be used only for residential purposes, unless the Board of Directors authorizes some other use. Except for the construction, sales and management activities (including, without limitation, the right of Declarant to maintain one or more model Dwelling Units, or sales offices) of the Declarant, no business, trade, industry, occupation or profession of any kind, whether for profit or not for profit, may be conducted, maintained, or permitted on any part of the Subdivision property. To the extent permitted by law, an Owner may use a portion of his or her Dwelling Unit for an office or studio (other than a music and/or dance studio) provided that the activities conducted therein shall not interfere with the quiet enjoyment or comfort of any other owner or occupant; and provided further that such activities do not increase the normal flow of traffic or individuals in and out of the Subdivision or in and out of said Owner's Lot.

Section 10.3 Obstruction of Common Areas. There shall be no storage or parking of any items, including baby carriages, playpens, bicycles, wagons, toys, vehicles, benches or chairs in any part of the Common Areas, except as permitted by the Rules and Regulations. Patios porches (except screened in and/or enclosed porches) and decks, may be used only for their intended purposes.

Section 10.4 Parking. Except for vehicles being used by persons providing services to the Declarant, the Association, the Lot Owners or otherwise used or authorized to be used at the Subdivision by the Declarant, no part of the Subdivision may be used for the parking of any trailer coach, house trailer, mobile home, automobile trailer, motorcycle, camp car, recreational vehicle, camper, truck which exceeds 3/4 ton, boat, boat trailer, or any vehicle with letters or other markings over four inches tall or wide, or any other similar vehicle (collectively, "Special Vehicles"), unless such Special Vehicles are parked in the garage of the Lot Owner who owns such Special Vehicle and the garage door of such Lot Owner is completely closed at all times when a Special Vehicle is parked therein. Operative vehicles, other than Special Vehicles, used by a resident of a Lot as a primary source of transportation may be parked in the driveway of such Lot Owner or in any garage space owned by the Owner of such Lot. However, the residents of any one Lot may not collectively park more than four (4) operative vehicles other than Special Vehicles in the Subdivision. Inoperative vehicles may not be parked within the Subdivision unless these inoperative vehicles are parked in the garage and the garage door is completely closed. No auto maintenance and/or repairs may be performed on the Subdivision except if performed inside the garage of a Lot Owner. Vehicles, whether owned by a Lot Owner or not, parked in violation of any part of this

Declaration or in violation of any Rules or Regulations, shall be towed away and stored at the Owner's risk and expense. By parking in the Project, the Owner of the vehicle or other vehicle user hereby waives any claim against the Association resulting directly or indirectly out of the towing, unless the towing can be shown beyond a reasonable doubt to have been done maliciously by the Association. Note that the Association is not obliged to try to determine the owner of a vehicle and first give notice, before towing the vehicle. If a Lot Owner is not sure about the right to park at any particular area or space, the Lot Owner should request, in writing, a written opinion from the Board. If the Board gives the approval sought by the Lot Owner or if the Board does not answer the written request by the Board, the Lot Owner may park in the space until further written notice to the contrary from the Board. Note that the Association's right to tow a vehicle includes the right to immobilize it.

Section 10.5 Compliance With Insurance Policies and Waste. Nothing shall be done or kept in any Dwelling Unit, in the Common Areas or on a Lot which will increase the rate of insurance of the buildings, or contents thereof, applicable for residential use, without the prior written consent of the Association. No Lot Owner shall permit anything to be done or kept in his or her Dwelling Unit, in the Common Areas or on a Lot which will result in the cancellation of insurance on the buildings, or contents thereof, or which would be in violation of any law. No waste will be committed in the Common Areas. All laws shall be obeyed.

Section 10.6 Exterior Surfaces of Buildings. Lot Owners shall not cause or permit anything to be hung or displayed on the inside or outside of windows (except as provided herein) or hung on the outside of the Dwelling Unit doors (including but not limited to decorative door arrangements) or placed on the exterior walls of a building, and no sign (other than those described in Section 10.11 hereof and directional signs or signs concerning the use of the Common Areas), awning, canopy, flag (except the American flag), shutter, radio or television antenna shall be affixed to or placed upon the exterior walls or roof or any part of the building, or the Common Areas without the prior written consent of the Association. Unless otherwise approved in writing by the Association, Lot Owners shall not cause or permit any curtains, shades or other window coverings to be hung inside or outside any windows, doorways, and/or patio doors which will show any color on the outside other than white or beige tones.

Section 10.7 Animals and Pets. No animals of any kind shall be raised, bred, or kept on any Lot or in any Dwelling Unit or in the Common Areas, except that two dogs, two cats or one of each, or two other household pets may be kept in a Dwelling Unit, subject to the Rules and Regulations, provided that it is not kept, bred or maintained for any commercial purpose, and that it is kept subject to the Rules and Regulations of the Association. Dogs, cats or other household pets must be kept within the confines of the Owner's Dwelling Unit except when being held on hand leash by the pet owner of the animal. No Lot Owner shall

install a fence and/or electric fence on any portion of the Common Area without the prior written consent of the Board. No pet may be "staked", housed, tied up or otherwise left in any Common Area. A Lot Owner shall be responsible for cleaning up after his household pet. Notwithstanding the above, the Association shall have the right to promulgate Rules and Regulations pertaining to the size, number and type of such household pets and the right to levy fines and enforcement charges against persons who do not clean up after their pets. Additionally, the right of an occupant to maintain an animal in a Dwelling Unit shall be subject to termination if the Board in its full and complete discretion, determines that maintenance of the animal constitutes a nuisance or creates a detrimental effect on the Subdivision or occupants. No dog house or other structure used or intended for the housing or keeping of animals may be constructed, placed or maintained on any part of the Common Areas.

Section 10.8 Nuisances. No noxious or offensive activity shall be carried on in any Dwelling Unit or in the Common Areas or on the Lot of an Owner, nor shall anything be done therein, either willfully or negligently, which may be or become an annoyance or nuisance to the other Lot Owners or occupants.

Section 10.9 Impairment of Structural Integrity of Building. Nothing shall be done in any Dwelling Unit, or on any Lot, or in, on or to the Common Areas which will impair the structural integrity of any building or which, absent the prior written approval of the Board, would structurally change any building.

Section 10.10 Laundry or Rubbish and Open Fires in Common Areas and Facilities. No clothes, sheets, blankets, laundry of any kind or other articles shall be hung out or exposed on any part of the Common Areas, or on any Lot in a manner visible from any Common Area, neighboring Lot or street. The Common Areas shall be kept free and clear of rubbish, debris and other unsightly materials. All trash, garbage or other rubbish shall be deposited only in covered sanitary containers as provided in Section 10.14 below. No open fires shall be permitted on any part of the Subdivision other than fires in charcoal grills or other similar cooking devices located upon Lots or grills or similar devices (if any), owned by the Association and constituting a portion of the Recreational Facilities, provided the use of such devices does not violate any local governmental rules or regulations.

Section 10.11 Prohibited Activities. Except as otherwise provided in this Declaration, no business, trade, industry, occupation or profession of any kind, whether for profit or not for profit, shall be conducted, maintained or permitted on any part of the Subdivision. A Lot Owner is permitted to place and maintain a standard "For Sale" or "For Rent" sign only in the window of his Dwelling Unit; provided, however it is of a typical size within the industry or within an area expressly permitted by the Board of Directors. No other sign that is visible from the outside of Dwelling Units may be placed on any part of the Subdivision except as expressly permitted by the Board of Directors. Declarant

and/or the Board shall have the right to immediately remove and dispose of those items in violation of this Declaration. A Lot Owner must obtain the prior written consent of the Board of Directors in the event a Lot Owner desires to maintain a "For Sale" or "For Rent" sign which is not of a typical size within the industry, or desires to maintain other displays or advertising, unless otherwise provided for under the Rules and Regulations. The right is reserved by the Declarant to use any such unsold or unoccupied Dwelling Units or other structures in the Subdivision as models and/or offices in connection with the construction, sale or rental of Dwelling Units.

So long as the Declarant owns a Lot no action may be taken nor may any Rule or Regulation be adopted or amended that would (a) directly or indirectly alter the exterior appearance of any part of the Subdivision; (b) reduce or discontinue any maintenance standard or practice in effect as of the date when the Declarant no longer controls the Board; (c) adversely affect the Declarant's sale or leasing of any Lots; or (d) otherwise adversely affect the Declarant, any of its rights, or any Lot owned by it without, in each case, first obtaining the Declarant's written consent.

Section 10.12 Alteration of Common Areas. Nothing shall be altered or constructed in or removed from the Common Areas except as otherwise provided in this Declaration and except upon the written consent of the Association. In addition, a Lot Owner must obtain the prior written consent of the Board prior to installing and landscaping or planting any flowers, herbs or vegetables, on any portion of the Subdivision (including any Lot).

Section 10.13 Rental of Lots. In order to protect the equity of the Lot Owners and to carry out the purpose for which the Association was formed by preserving the character of the Property as a homogeneous predominantly owner-occupied residential community and to avoid the character of a renter-occupied apartment complex, no more than fifty percent (50%) of the Dwelling Units in the Subdivision may be leased by the respective Owners at any one time. Each Owner in the Subdivision must obtain the approval of the Board prior to leasing his Dwelling Unit, which approval shall not be unreasonably withheld if less than fifty percent (50%) of the Dwelling Units in the Subdivision are then currently being leased, and provided the following conditions are met: (a) not less than the entire Dwelling Unit is being leased, (b) the term is not less than six (6) months; and (c) it is not being rented for transient or hotel purposes, which shall be defined as (i) rental for any period less than thirty (30) days, or (ii) any rental if the occupants of the Dwelling Units are provided customary hotel service such as room service for food and beverage, maid service and furnishing of laundry and linen. All leases of any Dwelling Unit shall be in writing. All such leases shall provide that they are subject to all of the provisions of the Declaration, the Bylaws and the Rules and Regulations and that any failure by the lessee to comply with any of such provisions shall constitute a default under the lease. A copy of each such lease shall be given to the Declarant and the

President of the Association immediately after it is executed.

If any lessor or lessee is in violation of any of the provisions of the foregoing documents, the Association may bring an action in its own name and/or in the name of the lessor to have the lessee evicted and/or to recover damages. If the Court finds that the lessee is or has violated any of the provisions of the Declaration, the Bylaws or the Rules and Regulations, the Court may find the lessee guilty of forcible detainer notwithstanding the facts that the lessor is not a party to the action and/or that the lessee is not otherwise in violation of lessee's lease or other rental agreements with lessor. For purposes of granting the forcible detainer against the lessee, the Court may consider the lessor a person in whose name a contract (the lease or rental agreement) was made for the benefit of another (i.e., the Association). The remedy provided by this Section 11.13 is not exclusive and is in addition to any other remedy or remedies that the Association has. If permitted by present or future law, Association may recover all of its costs, including Court costs and reasonable attorney's fees, and such costs shall be a continuing lien upon the Lot which shall bind the Lot in the hands of the then Lot Owner and the Lot Owner's successors and assigns.

Section 10.14 Trash Disposal. Each Lot Owner shall deposit all trash, garbage, or other rubbish by as directed and instructed by the Board. Lot Owners shall keep trash containers at all times in each Lot Owner's garage (if applicable), or in such other location as designated by the Board, except on the days which trash, garbage, or other rubbish is collected by the local waste removal authorities. Any trash containers placed outside by the Lot Owners in the location designated for collection by the local waste removal authorities shall only remain in such location for a period not to exceed twenty-four (24) hours. The Board shall have the right to dispose of any trash, garbage, or other rubbish of a Lot Owner in violation of this Article X, and may assess the Lot Owner for the cost of such removal, which amount shall be payable on the date the next installment of the regular assessment is due.

Section 10.15 Nondiscrimination. No owner (including the Declarant), or any employee, agent or representative thereof, shall discriminate upon the basis of sex, race, age, color, creed or national origin in the sale, lease or rental of any Lot nor in the use of the Common Areas.

## **ARTICLE XI**

### **ENFORCEMENT**

#### Section 11.1 Enforcement.

11.1.1 The Association or any Lot Owner may enforce these

covenants, conditions and restrictions. Enforcement of these covenants, conditions and restrictions shall be by any proceeding at law or in equity against any person or persons violating or attempting to violate ("Violating Party") any covenant, condition or restriction, either to restrain or enjoin violation or to recover damages, and against the land to enforce any lien created by these covenants. In addition to all other amounts due on account of said violation or attempted violation, the Violating Party shall be liable to the parties enforcing the covenants and/or restrictions of this Declaration (the "Enforcing Parties") for all reasonable attorney's fees and court costs incurred by the Enforcing Parties. Failure or forbearance by the Association or any Owner to enforce any covenant, condition or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. In any lawsuit filed to enforce this Declaration by injunction or restraint, there shall be and there is hereby created and declared to be a conclusive presumption that any violation or breach or any attempted violation or breach of any of the within covenants, conditions or restrictions cannot be adequately remedied by action at law or by recovery of damages.

11.1.2 In addition to all other remedies of the Association, the Association shall have the right to assess a maximum fine of \$150.00 per day (or such higher amount as may be allowed by law) per violation against any Owner who violates any provision of this Declaration or the Articles, Bylaws or Rules and Regulations of the Association after such Owner has been given notice of the violation and an opportunity to be heard with respect to the violation in accordance with such policies and procedures as may be adopted from time to time by the Board of Directors or as may be set forth in the Bylaws.

11.1.3 In addition to the above rights, the Association may also enter upon a Lot or any land upon which a violation exists to remove any violation, perform maintenance or make repairs thereon which is the responsibility of a Lot Owner who has failed to remove said violation or to perform such maintenance or make such repairs (i) after having given such owner at least ten (10) days prior notice, or (ii) without giving notice in the event of an emergency.

Any action brought by the Association hereunder may be brought in its own name, in the name of its Board or in the name of its managing agent. In any case of flagrant or repeated violation by a Lot Owner, he or she may be required by the Association to give sufficient surety or sureties for his or her future compliance with the covenants, conditions and restrictions contained in this Declaration, the Bylaws and the Rules and Regulations.

Section 11.2 Severability. Invalidation of any one of these covenants, conditions or restrictions by judgment or court order shall in no way affect any

other provisions, which shall remain in full force and effect.

Section 11.3 Restrictions Run With Land. The easements or other permanent rights or interests are herein created, the covenants and restrictions of this Declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Association, or the Owner of any Dwelling Unit subject to this Declaration, their respective legal representatives, heirs, successors, and assigns.

Section 11.4 Amendment. The Association (the Declarant controlling the Association until the expiration of the Development Period) may amend this Declaration at any time, as long as consistent with the design, scheme and purposes of this Declaration, by the affirmative vote or written agreement of the Owners to whom not less than seventy-five percent (75%) of all of the votes in the Association are allocated in accordance with Section 4.4 and Section 4.5 above. Any amendment must be recorded in the New Hanover County Register of Deeds. Following the end of the Development Period, no such agreement to amend, in whole or in part, shall be effective unless written notice of the proposed amendment is sent to every Member at least thirty (30) days in advance of any action taken, and no such amendment shall be effective with respect to any permanent easements or other permanent rights or interests relating to the Common Areas herein created (unless such amendment is consented to in writing by Declarant and all other beneficiaries of such permanent easements, rights of interests).

Section 11.5 Reservation of Special Declarant Rights. Declarant reserves the right to maintain sales and management offices, model units, construction trailers, storage or staging areas, and advertising signs upon Lots or the Common Areas and upon Lots owned by it until the expiration of the Development Period and to exercise all other "Special Declarant Rights" as defined in the Planned Community Act. Without limiting the foregoing, and notwithstanding anything herein to the contrary, during the Development Period, Declarant shall have the right to annex additional Lots or Common Areas into the Subdivision by filing a supplement to this Declaration in the New Hanover Public Registry together with an amendment to the Plat (if applicable). Such additional Lots or Common Areas need not be contiguous to the Property. Declarant shall have the right to assign all or a portion of any rights or easements reserved herein by a written assignment thereof, recorded in the New Hanover Public Registry.

Section 11.6 Management and Service Contracts. Any agreement for the professional management of the Subdivision of the Common Areas may not exceed three (3) years and shall provide for termination by either party without cause and without payment of a termination fee upon reasonable notice.

Section 11.7 Binding Determination. In the event of any dispute or

disagreement with or between any Owner(s) relating to, or of any other disputes, disagreements or questions regarding, the interpretation or application of the provisions of this Declaration or the Articles or Bylaws of the Association, the determination thereof (i) by Declarant for so long as Declarant retains control of the Association; and (ii) thereafter by the Board of Directors of the Association shall be final and binding on each and all such Owners; providing that any determination which directly or indirectly affects Declarant shall require Declarant's prior consent to become binding upon Declarant.

Section 11.8 Captions and Titles. All captions, titles or headings in this Declaration are for the purpose of reference and convenience only and are not deemed to limit, modify or otherwise affect any of the provisions hereof, or to be used in determining the intent or context thereof.

Section 11.9 Notices. Except as otherwise provided in this Declaration, any notice to any Owner under this Declaration shall be in writing, shall be effective on the earlier of (i) the date when received by such Owner, or (ii) the date which is three days after mailing (postage prepaid) to the last address of such Owner set forth in the books of the Association. The address of an Owner shall be at his Lot (or any of them if more than one) unless otherwise specified in writing to the Association. The Articles and Bylaws shall specify the permissible manner of giving notice for voting and all other Association matters for which the manner of giving notice is not prescribed in this Declaration.

Section 11.10 Governing Law. This Declaration shall be deemed to be made under, and shall be construed in accordance with and shall be governed by, the laws of the State of North Carolina, and suit to enforce any provision hereof or to obtain any remedy with respect hereto shall be brought in state court in New Hanover County, and for this purpose each Owner by becoming such hereby expressly and irrevocably consents to the jurisdiction of said court.

## **ARTICLE XII**

### **MORTGAGEE'S RIGHTS**

Section 12.1 Notice of Rights of Mortgagee of a Lot. As used herein, the term "Mortgagee" shall mean the holder of a first lien mortgage or deed of trust on a Lot who provides notice to the Association with its name and address with a request to receive any notices and other rights provided to "Mortgagees" under this **Article XII**. A Mortgagee of a Lot shall be entitled to receive written notification of any default, not cured within sixty (60) days after its occurrence, by the Owner of the Lot with respect to any obligation of the Owner under the Declaration, the Bylaws of the Association or the Articles of Incorporation of the Association. Any Mortgagee of a Lot can make the request for notification. The

notification shall be sent not later than the 65th day after the occurrence of an uncured Default.

Section 12.2 Rights of First Refusal. Any right of first refusal now or hereafter contained in this Declaration or any amendment or modification hereto or otherwise arising in favor of the Association or certain Owners shall not apply to or preclude or impair in any way the right of the first Mortgagee to (i) foreclose or take title to the Lot pursuant to the remedies provided in its mortgage; (ii) accept a deed or assignment in lieu of foreclosure in the event of a default under the Mortgage; or (iii) sell or lease a Lot and Dwelling Unit acquired by the Mortgagee.

Section 12.3 Rights of Mortgagee. Unless at least seventy five percent (75%) of the Mortgagees (based upon one vote for each first mortgage or deed of trust owned), and a vote of seventy-five percent (75%) of the votes allocated to the Members entitled to vote hereunder, the Association shall not:

12.3.1 by an act or omission seek to abandon, partition, subdivide, encumber, sell or transfer the Subdivision or Common Areas or improvements located thereon which are owned directly or indirectly by the Association for the benefit of the Lots (the granting of easements for public utilities or for other purposes consistent with the intended use of the Subdivision, or the conveyance of Common Area (not including the Recreational Facilities) to a local governmental authority for public park purposes or the conveyance or dedication of Roadways shall not be deemed a transfer within the meaning of this clause);

12.3.2 change the method of determining the obligations, assessments, dues or other charges which may be levied against a Lot;

12.3.3 by act or omission change, waive or abandon any scheme of regulation or enforcement thereof pertaining to the architectural design or exterior appearance of the Dwelling Units, the exterior maintenance of the Dwelling Units, the maintenance of common fences or driveways or the upkeep of lawns and plantings in the Subdivision;

12.3.4 fail to maintain fire and extended coverage insurance on insurable Common Areas on current replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value (based on current replacement cost); or

12.3.5 use hazard insurance proceeds for losses to any Common Areas for other than the repair, replacement or reconstruction of such Common Areas.

Section 12.4 Right to Examine Books and Records. Mortgagees, their

successors or assigns, shall have the right to examine the books and records of the Association.

Section 12.5 Taxes and Insurance. Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any Lot and may pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for such Lot, and first mortgagees making such payments shall be owed immediate reimbursement therefor from the Lot Owner.

Section 12.6 Insurance Proceeds and Condemnation Awards. No provision of this Declaration or any other document or instrument affecting the title to the Property, Common Areas, any Lot or the organization or operation of the Association shall give an Owner or any other party priority over any rights of first mortgagees of Lots within the Subdivision pursuant to their mortgages in the case of a distribution to Owners of insurance proceeds or condemnation awards for losses to or taking of Common Areas.

### **ARTICLE XIII**

#### **NON-DEDICATED STREETS**

Section 13.1 Use. All non-dedicated streets constructed within the Subdivision are reserved as easements of public access for the common use of Owners and their families, guests and invitees, by commercial vehicles authorized to make pick-ups and deliveries, by public and private utilities' personnel, trucks and equipment, by postal authorities and mail carriers, by emergency personnel and vehicles such as police, fire and ambulance, and by such other persons or classes of persons authorized by the Board of Directors of the Association, as a means of ingress or egress, and for such other uses as may be authorized from time to time by said Board. Such non-dedicated streets may also include underground utility lines, mains, sewers or other facilities to transmit and carry sanitary sewerage and storm water drainage. Except as provided by this Declaration, no acts shall be taken or things done by an Owner or the Association which are inconsistent with the reservation and grant of use and enjoyment hereinabove provided.

Section 13.2 Snow Removal, Maintenance, Reconstruction or Resurfacing. The Association, at the cost and expense of the Association, shall provide snow removal from, maintenance to and resurfacing or reconstruction of any non-dedicated streets or any storm water drainage facilities included as a part thereof or installed thereunder as it deems necessary or appropriate from time to time within its sole discretion.

### **ARTICLE XIV**

## **COASTAL STORMWATER MANAGEMENT REGULATIONS BINDING ON PRINCETON PLACE**

In accordance with Title 15 NCAC 2H.1000, the Coastal Stormwater Management Regulations, deed restrictions and protective covenants are required for certain developments where lots will be subdivided and sold. Deed restrictions and protective covenants are necessary to ensure that the development maintains a "built-upon" surface area consistent with the applicable regulation limiting built-upon area. The following deed restrictions and covenants must be recorded prior to issuing the Stormwater Management Permit:

### Section 1 For All Projects:

- 1.1 The following covenants are intended to ensure ongoing compliance with the State Stormwater Management Permit Number SW8040327, as issued by the Division of Water Quality under NCAC 2H.1000.
- 1.2 The State of North Carolina is made a beneficiary of these covenants to the extent necessary to maintain compliance with the stormwater management permit.
- 1.3 These covenants are to run with the land and be binding on all persons and parties claiming under them.
- 1.4 The covenants pertaining to stormwater may not be altered or rescinded without the express written consent of the State of North Carolina, Division of Water Quality.
- 1.5 Alteration of the drainage as shown on the approved plan may not take place without the concurrence of the Division of Water Quality.

### Section 2. Low Density Residential Subdivisions

- 2.1 The maximum allowable built-upon area per lot is 4,000 square feet. This allotted amount includes any built-upon area constructed within the lot property boundaries, and that portion of the right-of-way between the front lot line and the edge of the pavement. Built upon area includes, but is not limited to, structures, asphalt, concrete, gravel, brick, stone, slate, and coquina, but does not include raised, open wood decking, or the water surface of swimming.

The maximum allowable built-upon area per lot is as follows:

Lot # BUA                      Lot # BUA                      Lot # BUA  
\_\_\_\_\_  
\_\_\_\_\_

These allotted amounts include any built-upon area constructed within the lot property boundaries, and that portion of the right-of-way between the front lot line and the edge of the pavement. Built upon area includes, but is not limited to, structures, asphalt, concrete, gravel, brick, stone, slate, coquina and parking areas, but does not include raised, open wood decking, or the water surface of swimming pools.

- 2.2 Filling in or piping of any vegetative conveyances (ditches, swales, etc.) associated with the development except for average driveway crossings, is strictly prohibited by any persons.
- 2.3 Each lot will maintain a 30" wide vegetated buffer between all impervious areas and surface waters.
- 2.4 All roof drains shall terminate at least 30" from the mean high water mark of surface waters.

Section 3 Low Density Subdivision with Curbs and Gutters.

- 3.1 Filling in, piping or altering any designated 5:1 curb outlet swale associated with the development is prohibited by any persons.
- 3.2 This project proposes a curb outlet system. Each designated curb outlet swale shown on the approved plan must be maintained at a minimum of 100" long with 5:1 (H:V) side slopes or flatter, have a longitudinal slope no steeper than 5%, carry the flow from a 10 year storm in a non-erosive manner, and maintain a dense vegetated cover.
